

TYSON

Tyson is a stylish wall lamp with a adjustable spotlight, now with a built-in USB connector in the luminaire. The wall lamp is dimmable with a dimton LED light source RA/CRI90.

Perfect for the reading corner or next to the bed. The USB socket is compatible for both your tablet and your phone with 2.1A charger. You save a place in the wall socket, and if you buy the wall shelf 8029 as an accessory, you aslo have a place to put your mobile phone or tablet while it's charging. You can also order a mirrored version.
